1. According to a district secretary of the Communist Party, the Central Committee is well informed of every event inside the Austrian ministries. With the Communist Party faction of administrative employees under Dr. Leopold GRB (~~sic~~) making good headway, there is small wonder that Fischer should have had exact information on the Austrian note concerning the speedy completion of the state treaty.
2. The Austrian censorship office also supplies information to the Central Committee.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
